The Seaton Hackney Troop Program provides a forum for individuals to acquire or improve their horsemanship and horseback riding skills in a structured program within a supportive and fun environment. In case of bad weather, Levels 1 & 2 may include a grooming, tacking, safety and handling session as part of the Troop curriculum. Troop is 6 consecutive weeks & Horsemanship 201 is 8 consecutive weeks.

Riders should be able to correctly perform the skills listed under curriculum before moving onto the next level. Instructors may rotate for troops. Detailed level descriptions are available in the office. A personalized assessment of your child's progress will be available either verbally or in writing at the end of Troop. We reserve the right to consolidate or cancel levels. Instructor(s) recommendation, appropriate Badges, riding tests for the upper levels and, in some cases, remedial private lessons will be needed to advance to higher Levels. Please reference this legend for an explanation of the codes:
